DANAH INTEGRATED FACILITY MANAGEMENT

Al Rashid Trading and Contracting Company was established in 1957 and expanded vigorously in field of contracting. RTCC was awarded to build numerous houses, college campus, medical centers, infrastructure, water supply works and railway projects from renowned clients.

In 2020, DANAH Real Estate - Facility Management Division well known as DIFM was established as sister company of RTCC and is providing Integrated Facilities Management to properties owned by RTCC. These properties include multiple Residential and Commercial Buildings, Highrise Towers, Mega Mall and Hotel.

Since its inception Danah DIFM is committed to provide quality-oriented services and to create sustainable working and living conditions for the end users of properties.

The company is looking forward towards organic growth and to become a leading provider of Integrated Facilities Management and Support Services to Clients through a team of experts with in-depth knowledge and specialization in various FM and QHSE Services.
